

Magic Bottom Paste

Try to clean with water only and blot before applying anything. Avoid lotions or soaps with fragrance.

Ingredients:

- Zinc (Desitin, Balmex, etc.) or Vaseline
- Hydrocortisone Cream 1% (can buy over the counter)
- Anti-fungal (Clotrimazole or any other over the counter. Use prescription instead if given one.)

Directions:

Mix the about ingredients in equal amounts and apply generously to clean, dry bottom. You may use this mix 3 times a day. Use straight zinc or Vaseline for the other diaper changes.

If child's bottom has not started to improve after 2-3 days, please give us a call at 937-419-8687.
